Regional  
congratulations  
S. J.

Sir,

Based on the LoI, IEA, Statement of Compliance and Self Study Report submitted by the University and subsequent report of Peer Review Team, the National Agricultural Education Accreditation Board of ICAR in its XXIII meeting held on 29th March, 2019, granted accreditation to the P.V.Narasimha Rao Telangana Veterinary University, Rajendranagar for a period of five years i.e. upto 28<sup>th</sup> March 2024. The University has scored overall a Score of 2.84 equivalent to Grade 'B'.

The details of accredited programmes/colleges of the University along with remarks made by the Board are enclosed herewith as Annexure-I and Annexure-II respectively. The University is thus required to address the observations of the Board in a time bound manner, specifically during Mid-term review.

Board further decided that student intake in the programme and strength of faculty/technical/supporting staff as listed in Self Study Reports and undertaking given by registrar during Peer Review, if any, must be maintained by the accredited university/College/Programme throughout the accreditation period. Any deviation by the accredited University/College for student intake and faculty/technical/supporting staff strength would warrant the withdrawal of the accreditation.

Yours faithfully,

(G.Venkateshwarlu)

Assistant Director General (EQR)
